The addresses

the American Iron and Steel Institute confirmed what was generally known concerning the status of the stee

trade.
Questions of international banking and foreign trade, which entered largely into the conference between the administration and leading financial interests were expected soon to take definite form. The reported desire of the federal authorities that future foreign loans be conditioned on purchases of our seeds and payon purchases of our goods and pay-ment of existing obligations presented new aspects in the international credit situation.

The collapse of foreign exchange.

especially severe in the British rate was regarded by dealers as evidence that Germany was preparing to mee her indemnity payments. Reports that private German interests hoped to negotiate a series of loans here probably had their origin in com-mercial credits recently extended

CHICAGO May 22-Wild fluctua tions in the wheat market this week dependent largely on weather change which might make or wreck the win which might make or wreck the winter crop were also given impetus by abnormal supply conditions affecting the windup of contracts for May delivery. On the whole, bulls had the greater advantage, and as a result wheat prices this morning compared with a week ago were 3 to 7½ cents higher, with corn up 2% cents to 4½ cents and 4% cents; oats up to 2 to 2% cents and provisions varying from 20 cents decline to 5 cents advance.

Wheat climbed rapidly most of the time during the first part of the week, high temperatures and absence of moisture arousing apprehension, field experts meanwhile sending crop damage reports that bordered on the

LODGE LORE

LOYAL ORDER OF MOOSE

LOYAL ORDER OF MOOSE

The Loyal order of Moose will hold their regular meeting next Wedness, as each day the Glendale Greys will have a game. It is should be a good game, as the Greys and the second game, as the Greys and are determined to win as they have been practicing hard this week and are determined to win as they have been practicing hard this week and are determined to win as they have been practicing hard this week and are determined to win as they have been practicing hard this week and are determined to win as they have been practicing hard this week and are determined to win as they have been practicing hard this week and are determined to win as they have been practicing hard this week and are determined to win as they have been practicing a holiday, the Greys will stage another game against the Ramblers at the grounds north of the creamery. This game is inciting a lot of interest among local fans, a lot of interest among local fans, as lot of interest among local fans, as the creamery. This game is inciting a lot of interest among local fans, as lot of interest among local fans, as the creamers of the creamery. This game is inciting a lot of interest among local fans, as the creamers are convinced that the Ramblers will take the measure of their opponents. A defeat to the Greys in this game would be disastrous, as dithey then would not be the representative team of the town. However, the Greys are confident they can defend their good name.

Pleasing Farewell Party.

At a farewell party given at the local hall by the past matron and the present officers of the Order of Eastern and the present officers of the Order of Eastern and the present officers of the Order of Eastern and the second by Mrs. Harrison. A small program was given, Mrs. Bissenger rendering a piano solo, and Mrs. Hunter a solo and several impromptu speech; the Loyal The Loyal order of Moose will hold

TERROR IN INDUSTRIAL WAR
PARIS—The Matin has received
the following dispatch from its correspondent in Barcelona, Spain:
"In the last six months 327 employers of Barcelona have been killed,
and always according to unvarying
schedule. First, they received a letter warning them that if in eight
days they did not leave the city they
could consider themselves condemned
to death in the near future. Those
who, defying this advice, remained, arriving freely within a week. Cantaloupes from the Imperial valley are very scarce and few are arriving. Prices are still high. The first Bing cherries of the season will arrive to

"For instance the president of the Employers' Association suddenly found his motor car surrounded by ries are about off the market now. The market is light on berries of all kinds, due to the rains in California, but according to reports yesterday the weather has cleared and they will begin to arrive freely. Apples are rapidly being cleaned up and the demand is light. Lemons have taken a sharp advance. Cucumbers, summer squash and green beans are arriving plentifully and the prices are reasonable. Tomatoes are in great de-

> with revolver shots. "This does not mean that no one is arrested. Quite to the contrary, all the known militant labor leaders and socialists are locked up. Every-one who has advanced opinions is

"However, as arrests en masse did "However, as arrests en masse did not stop the attacks on employers, they set out to defend themselves. They found in 'free unions' aid which may have results. The free unions have for their motto: 'An eye for an eye and a tooth for a tooth.'

"Whenever an employer is assassinated the same day a worker is murdered, maybe two of them. The number of workers thus killed has reached 167.

"If this total is less than the num-

"If this total is less than the number of employers killed, it is simply because the slaying of workers began later than the hunting of employers. It may be predicted that the balance

will soon be struck.
"While it is forbidden to doctors
to attend wounded employers it is also forbidden to lawyers to defend accused workers before the courts. One lawyer. Signor Ulleo, who did not fear to assume this task, was shot down in the street. A servant accompanying him was also killed," -St. Louis Globe-Democrat
